Official Student Publication of Northwest Missouri State Teachers College

VOL. 19

MARYVILLE, MISSOURI, WEDNESDAY, APRIL 19, 1933

NO. 28.

## PRODUCTION OF THE MAY FETE IS UNDER WAY

MISS MARTINDALE HAS SELECTED "ALLADIN'S LAMP" FOR THIS YEAR'S FETE.

The fourteenth annual May Fete will be held Friday and Saturday, May 12 and 13. The theme of this year's performance is Alladin's Wonderful Lamp taken from the famous "Arabian Nights." The setting is in Persia, outside the turreted walls of an Oriental city. The events take place in four acts. The opening scene takes place in a street and in the famous cave of Alladin. The second scene is in the garden of the Princess, and the third scene is before the Sultan; the finale is outside of the city gates. The leading roles have been assigned: Alladin will be played by Richard Barrett, remembered by many of us as the Blue Bird of last year's performance. The part of the Princess will be danced by Elander Hardin; the magician will be played by Marion Gibbons, last year's Tytle; the Sultan will be played by Guss Quilliams, remembered from past Fetes as Old King Cole and the God of Love; the part of the Geni will be played by Mac Egdorf.

The novelty dance of the Fete will be the men tappers who will appear before the Sultan. Other dances of importance are: "The Dance of Gloom" by Naomi Broyles, Virginia Utz, Doris Logan and Virginia Miller; the "Dance of the Ladies Harem," led by Ruth Miller; the "Desert Dance," the "Silk Dance," led by Grace Westfall, and the "Dance of Roses." A feature dance is the "Peacock" by Marian Tollakson and Lillian Blanchard; Marian played the lead in last year's Fete. The "Dance of the Scimitar and the Light of the Lamp" will feature the hero, Alladin. The "Dance of India" will be led by the Princess. A fascinating feature of this year's performance will be a live snake ten feet long and imported from Texas, to be worn by Marion Gibbons.

Color! Music! Magic! This May Fete promises to be brilliant and fascinating. The work of the May Fete is under the direction of Miss Nell Martindale, head of the Department of Physical Education. She is assisted by Miss Mercedes Weiss and Miss Juanita Marsh. The music is under the direction of Mr. H. O. Hickernell. The scenery is provided by Mr. Donald Valk, head of the Department of Industrial Arts.

## MAJOR ENTERTAINMENT TONIGHT AT EIGHT

"The Silver Cord" will be presented tonight at the College Auditorium by the Chicago Art Theatre Co. This will be the major entertainment for this quarter. Burns Mantle, writing for the New York News, says, "It ranks with the finest dramas the theaters of this town has produced over a stretch of years."

Sidney Howard won the 1925 Pulitzer Prize with "They Knew What They Wanted." He followed this up with two Theatre Guild successes, "Ned Cobb's Daughter" and "The Silver Cord." In making a choice for his dramatic year book, "The Ten Best Plays for 1926-27," Mr. Mantle has this to say for his inclusion of the latter: "Of the two plays, 'The Silver Cord' is a weightier and more significant study of American character, strikes closer to the problems of the home, is more insistently direct in its human analysis and tells you a more absorbing story. . . . It shows the harmful extremes to which a selfish mother love may extend and exposes them ruthlessly and convincingly."

Students will be admitted on activity tickets. The general price of admission will be 50 cents. There will be no extra charge for reserved seats.

## ABOUT THIS TIME O' YEAR

In history class we're settin' Just a sufferin' and a sweatin' While Doc. Dildine does his stuff. But when our grades we're gettin' There will be no use of bettin' Cause that's when Doc. calls your bluff.

Miller Brown, of Albany, a former Missouri University student and athlete, was at the College last Thursday to inquire about the short course which begins here April 24.

## MISSOURIAN IN STUDENTS' HAND

### ANNUAL SENIOR PLAY CAST PICKED

Miss Dow Picks Cast From All Classes For Senior Production.

The cast for the Senior class play, "As You Like It" has been chosen and the members have started to work upon it. Practice will be held regularly now that the Easter vacation is over. The members of the cast have been selected as follows:

Duke, living in banishment—Russell Noblet.  
Frederick, his brother, and usurper of his dominion—Dale Perkins.  
Amiens—Jacques—Francis Sloniker.  
Le Beau, a courtier—C. J. Merrigan.  
Charles, wrestler—Paul Francil.  
Oliver, son of Sir Richard de Boys—Clarence Woolsey.  
Jacques, son of Sir Richard de Boys—Bill Garrett.  
Orlando, son of Sir Richard de Boys—Arthur Brewer.  
Adam, servant to Oliver—Bernard Keefe.  
Dennis, servant to Oliver—Touchstone, a clown—Richard Barrett.

Sir Oliver Martex, a vicar—Corwin, shepherd—Forte Sandison.  
Silvius, shepherd—Jim Alsap.  
William, a country fellow, in love with Audrey—Nolan Bricken.

A person representing Hymen—Rosaline, daughter to the banished Duke—Virginia Utz.

Celia, daughter to Frederick—Dorothy Whitmore.  
Phoebe, a shepherdess—Irene Matter.  
Audrey, a country wench—Ruth Kramer.

Lords, pages, attendants—Genevieve Miller, Evelyn Crider, Darlene Schneider, and Wilma Lewis.

Dean Johnson, vice-president of the Grand Council of Sigma Tau Gamma was at the regular meeting of Theta Chapter last Wednesday night, April 12. Mr. Johnson is head of the commerce department of Skidmore high school, Skidmore, Mo.

George Belle Moorshead was in Atchison County, Friday, applying for a position in a school.

### President Lamkin Gives the Student Senate Complete Control.

Harold Humphrey, Editor-in-Chief.

For the remainder of this term the Missouriian will be under student management. Through the efforts of the Student Senate and the co-operation of Dr. Lamkin arrangements were made whereby the Senate will have control of the editing of the paper. At a meeting on Monday, April 10th, Harold Humphrey was appointed editor-in-chief. The remainder of the staff was appointed the next day and new policies outlined. An Associate Editor staff of four was provided for and the following were selected to fill the places: Pauline Rush, Bedford, Iowa; James Stubbs, Chillicothe; William Garrett, Maryville, and Helen Kramer, Maryville. Under the new management the Editor-in-chief and the Associate staff will have complete charge of the paper.

The Journalism club will continue to work on the staff and receive credit as under the former arrangements. Thus far, Stephen LaMar is the only faculty advisor appointed, however, one more will be selected to assist him.

A few changes have been made that the Editorial board feels will make the Missouriian a more representative student paper. Contributions will be accepted from the student body at large, by any one contributing. An Open Column will serve as the outlet for student opinion. The editorials, however, will be confined to the opinions of the Editorial Board.

Page three will be devoted mainly to sports. Alumni news and the open column will be on page two. A column for society news and one for faculty notes will be found on page four.

Henceforth the Missouriian will be known as the Official Student Publication of Northwest Missouri State Teachers College. The new staff and the Student Senate earnestly hope that the students will co-operate in making this paper a real student paper. Whether or not the paper will remain under student control depends on the attitude of the student body and the initiative it shows towards the paper's success.

### SHORT COURSE OPENS MONDAY, APRIL 24

Many New Students Expected to Enroll.

Short Course, so named because it is in session only five weeks, opens April 24th. This enables many to enroll for further work on their degrees. From all indications it seems apparent that the enrollment of the Short Course will be up to standard.

Bulletins announcing the schedule of courses and programs are being sent to prospective students.

The Missouriian wishes to extend a welcome in behalf of the student body to all Short Course students.

The schedule of classes presents the courses which the College faculty feels will be the most in demand by the short course students. All credits can be applied toward certificates or degree requirements. Classes of freshman, sophomore, junior, and senior rank are being offered. Each two and one-half hour course meets twice daily for the five-week term.

Private lessons in music may be arranged. Two lessons a week through the short term and summer quarters are given 1.25 hours credit.

Physical education classes for men will be arranged to suit individual programs and are not included in the schedule.

Other classes will be organized if there is sufficient demand.

### STUDENT'S ARM BROKEN

Slide in Ball Practice Costly.

Lester Ellward, a sophomore student whose home is at Belleville, Michigan, met with an accident which fractured both bones in his lower right arm while he was practicing baseball on the college field. Ellward was attempting to slide in on second base and as he fell his right arm doubled under him in such a position as to snap both of the forearm bones.

The accident, which took place Monday evening, will probably cause Ellward to give up baseball for this term.

Nadine Wooderson spent Easter vacation with friends in Albany.

## THE REDEMPTION GIVEN AT THE EASTER ASSEMBLY

MUSIC BY THE COLLEGE CHORUS UNDER THE DIRECTION OF MR. CHAS. GARDNER.

"The Redemption," an oratorio by Gounod, was presented by the College chorus as the annual Easter assembly program. The presentation was given at the auditorium at 11 o'clock Thursday, April 13. It was directed by Charles R. Gardner, of the faculty of music, assisted by William Holdridge. The program is as follows:

- Part I.
- The Resurrection and the Ascension
  1. The Prophetic Choir—Chorus.
  2. The Holy Women at the Sepulchre—Tenor, Soprano, and Women's Chorus.
  3. Jesus Appearing to the Holy Women—Tenor and Baritone.
  4. The Holy Women Before the Apostles—Soprano, Men's and Women's Chorus.
  5. Jesus Appearing to the Apostles—Tenor and Baritone.
  6. The Ascension—Contralto and Chorus.

Part II.

- The Pentecost.
1. Lovely Appear—Soprano and Chorus.
  2. The Descent of the Holy Ghost—Tenor and Soprano.
  3. Hymn of the Apostles—Chorus.
- The soloists were: Mrs. Janet Sue Hicks, soprano; Mrs. Marvel Schuster, contralto; Mr. Herman N. Schuster, tenor, and Mr. Graham Malotte, baritone.

Many townspeople enjoyed the program.

## SPRING CONTESTS FOR HIGH SCHOOLS

Plans for the annual high school spring contests are being completed. For the first time in the history of the contests scholarship trophies will be given to the two high schools making the greatest number of points in certain scholastic contests. The awarding will be done on the following basis: First place will be given five points, second place, three points, and third place, one point. The points will be divided in case a tie should occur.

In awarding the scholastic trophies points will be given for winners in these contests: Advanced Algebra, Plane Geometry, General Science, Physics, Elementary and Advanced French, World History, Citizenship, American History, World History, American Problems, Geography, Short Story, Essays, and Literary Interpretation.

Every first place winner will be awarded a trophy and second place awards will be given in class A and B Track and Field and in the scholarship contest.

Two other new contests are featured this year: Science and Commerce. Miss Franken will have charge of the Science contests and Mr. Kelley will have charge of the Commerce contests.

Entry blanks to be accepted must be mailed to Mr. Dieterich, the manager of the contests, by April 20.

## AMITY HIGH GLEE CLUB

The Girls' Glee Club of the Amity High School was judged one of the three highest in the first of the elimination contests for DeKalb county which was held at Union Star. Rebekah Botkin, a graduate of the College, is the director. The selection which the glee club sang was Massenet's "Elegie."

The winner of the contest which is held at Maysville will represent DeKalb county in the annual spring contest at the College. Donald E. Johnson and Marvin Shamberger, students at the College, were judges at the DeKalb contests.

## SITTING NEXT TO ME

There's a gal of rare complexion Her face a fair perfection But her complexion, youthful ways Mixed with Bovard's funny by-plays, Cuts her down in my estimation To a point near devastation

Lucille "Speck" Stewart Operated On. Miss Lucille Stewart of Savannah, Mo., who was recently operated on for appendicitis at the Sister's Hospital in St. Joseph is reported to be recovering rapidly.

## TO PROFESSOR T. H. COOK

IN APPRECIATION OF HIS STUDENT INTEREST.

MR. T. H. COOK

With the publication of this first student issue of the Northwest Missouriian, the staff expresses appreciation to Mr. T. H. Cook, Professor of History, for his interest in student welfare and the promotion of high student ideals.

Seldom has a student left S. T. C. without the highest regard for Mr. Cook. Few students enter this College without coming in contact with Mr. Cook, and that contact is the beginning of new inspiration. History may be Mr. Cook's subject, but his service is in making young people feel that there is a better life than the one they are living. He has created for himself a permanent corner in the hearts of all

students who know him and love him. Mr. Cook has maintained his belief in the goodness of the younger generation despite modern accusations to the contrary. Whatever the problem, the students have found their answer through Mr. Cook.

The students of this school are at the door of a new understanding and appreciation of modern educational and social affairs. Much has been done toward the solving of similar problems by other students and in so doing they have looked to the older man who thought in terms of youth. Among us this man is Mr. Cook and it is to him that we dedicate this first student issue, hoping that his influence will continue to guide our efforts.

## NEWMAN CLUB PICNIC AT COLLEGE PARK

The girls who make their home at the Newman Club entertained with a weiner roast, Tuesday evening, April 4, at the College park. Those present were: Misses Margaret and Katherine Franken, Lorraine Metcalfe, Mary Dallam, June Haskell, Maxine Strickland, Mary Ellen Horan, Ruth Cochran, Mae Fitzmaurice, Marcella Spire, Mary Elizabeth Searce, Hilah Means, Betty Price, Eleanor Carson, Lucille Chambers, Helen Turner, Esther Cowgan, Maude Preston and Edna Monk.

Writers Club Meets. The regular meeting of the Writers Club was held Wednesday evening at five o'clock in Room 226. The next regular meeting of the club will be held Wednesday, April 20, at five o'clock. All members are urged to attend.

Wallace Payne was in the St. Francis Hospital suffering from injuries sustained while playing baseball.

Mildred Bradley has returned to school after being ill with a serious case of the mumps.

## Debaters Tie For Third Place At Pi Kappa Delta National Tournament.

Clarence Woolsey and Marvin Shamberger, representing S. T. C. in debate at Des Moines tied for third place, thus ending a very successful season for that department. Heekin and Noblet represented the school in the oratorical contest and extemporaneous speaking. Prof. Mounce accompanied the boys on the trip.

## Y. W. C. A. ELECTS

Eudora Smith Heads Y. W. for Next Year.

The nominating committee of the Y. W. C. A. submitted the following girls for the offices for next year. Those presented were: President, Eudora Smith; vice-president, Faye Sutton; secretary, Lydia Hansen; and treasurer, Rose Graves. A few changes have been made in the duties of some of the officers. It has been customary for the vice-president to be chairman ex-officio of the program committee. In order that she shall have an opportunity to meet more girls on the campus, she will assume the duties of the chairman of the membership committee.

In the future the duties of the secretary will be heavier as she will be chairman of the finance committee.

At the next meeting of the organization these names were submitted and approved.

# THE NORTHWEST MISSOURIAN

MARYVILLE, MISSOURI

Charter Member Missouri College Press Association.

Member Northwest Missouri Press Association.

Published once a week at the State Teachers College, Maryville, Mo., except the last of August and the first of September.

Entered as second class matter, November 9, 1914 at the Post Office at Maryville, Mo., under the act of March 3, 1879.

## SUBSCRIPTION RATES

One Year.....\$1.00 — One Quarter.....\$ .25  
All alumni who pay the Alumni Association dues of one dollar will receive The Northwest Missourian from the date dues are paid until the end of the following summer quarter.

## STAFF

Editor in Chief.....Harold Humphrey  
Associate Editors—

James Stubbs, Pauline Rush, Helen Kramer, William Garrett.  
Complete, permanent staff list will be announced next week.

## POLICY OF THE PAPER

From this day forward the policy of this paper, while under the present management, shall be:

MAINTENANCE OF THE OPEN COLUMN FOR STUDENT USE.

ALL ARTICLES MUST BE SIGNED.

NO EDITORIALS WILL BE PUBLISHED OTHER THAN THOSE WRITTEN BY THE EDITORIAL STAFF.

OBSCENE AND IMMORAL LITERATURE WILL NOT BE ACCEPTED OR PUBLISHED.

THE EDITOR-IN-CHIEF RESERVES THE RIGHT TO REJECT ANY OR ALL COPY.

LATE COPY ABSOLUTELY WILL NOT BE ACCEPTED.

## FORENSICS

Heretofore, it has been the practice to give participants in Forensics a "Key" in recognition of their contribution to the college. However, this practice has been very much neglected and at present there are several persons deserving "Keys" who have not received them.

The "recognized" college extra-curricular activities are: Basketball, Football, Baseball, and Track. But, Forensics is as truly representative of the college as is any of the above named and it should be thought of and treated as such.

The participants in extra-curricular activities are given "M's" in recognition of their services, and since Forensics is an extra-curricular activity, why do not they also receive an "M"? Why is there a discrimination made? Is it a manifestation of the old belief that Basketball, Football, Baseball, and Track are more important in the role of extra-curricular activities than is Forensics? Participants in the "recognized" extra-curricular activities receive "M's", the type of which signify the activity for which they were given. Why could not those who take part in Forensics receive an "M," the type of which would signify that it were given for Forensics?

It is only fair to the members of the Forensic Department to give this matter fair consideration. We must strive to bring Forensics up to an equality with other extra-curricular activities.

## ON PEACE POSTERS

One feature of the Social Science Department is rather out of step with student thought, and does not give the desired atmosphere and information. This is the display of anti-war posters which cover the walls of two rooms on the third floor. It is quite evident that students of this college are thinking in terms of peace. Surely their minds have developed to the point of not finding need, use, or desire for the pre-war type posters. In place of these placards, why not devote a shelf to informative pamphlets in substitution for the circus posters of Iron Men, death-dealing machines and even cartoons against war. If students desire this type of illustrated thought, it is only necessary to read an amazing story magazine, whereas, if good up-to-the-minute information is needed, there is scarcely a handy source to which they can turn.

This school is very fortunate in having Dr. Foster and Dr. Mehus directing their energies towards furthering World Peace. Many students wanting such material would hesitate to bother a professor, whereas, if there were a place where they could easily pick up a book, pamphlet or report on Pacifism, they would get far more good from it. To study the development and operation of peace machinery will prepare intelligent co-operation in World Peace rather merely developing his intense hatred for war.

## ON SPRING ELECTIONS

The problem of election of president and vice-president of the Student Senate is before the students for consideration. The new amendment to be acted on by the students, was passed by the council last week. It provides for the election of Student President and Student Vice-President in the spring of the year to serve the following year. This idea has been soundly considered by the Senate and is put before the students in the interest of Student Government. When elected in the spring the Student President is picked on the qualities that he is known to have, by those who are acquainted with him. The same holds true for the Vice-Presidency. Some say that the freshman is taken advantage of in this system but just what knowledge of the candidate has a freshman who has been on the campus but a day or two? Is the freshman really fitted to vote for such offices? Maryville is one of the few Student Governments that are using the Fall election system. Other institutions have seen the advantages of Spring elections and have adopted the plan. Get behind the new amendment and help put your Student Government in a more modern class.

## ON SPEAKING PLAINLY

Dr. Frank A. Dunn, in an article in the April edition of "Oral Hygiene," says that there are very few persons who, in delivering a speech, can hold their audience's attention for more than a few minutes. Dr. Dunn says that a vaudeville man, especially gifted, with the most carefully selected and prepared material, considers himself fortunate if he can interest an audience for ten minutes. The article goes on to say that there are many speakers with a queer quirk of egotism who believe that they can, with commonplace and unprepared material, hold their audiences spellbound for hours. To this type of speaker twenty minutes mean nothing, although Lincoln's Gettysburg address can be spoken in three minutes. A speaker has a right to assume that an audience will give him a respectful hearing. But how about the audience? Hasn't it a right to assume that the speaker will give a respectful presentation of his subject? That sort of presentation means selected, organized, and prepared material. Remember this while learning to speak.

## President's Column

As President of the College, I was glad to approve the proposal of the Student Senate that the Northwest Missourian be run hereafter by the students, with faculty advice. It is fortunate if the Student Body, led by their Senate, will accept more and more of the responsibilities which should go with the opportunities of college life.

It is no small matter to run a newspaper. While perhaps it should not be a medium used solely as an outlet for publication of articles on serious subjects, it should not become just a 'funny paper.' The proper balance as to college news will be difficult to maintain. It will be hard for the editors to refrain from losing faith when the criticism that is bound to come becomes acute. The development of the College which should be of great importance to every student can be helped or hurt—materially—by the paper. If it is used for conservative suggestions, for building up morals, for protecting traditions when the tradition is good, for furthering of those ideas and ideals for which the College stands, it will help. If the paper becomes an organ for satisfying personal pride in "saying something," for the publication of statements which are the result of loose thinking, for promoting discord rather than harmony in the student group—then its policy will be guided neither by good journalism nor good sense.

I have every confidence that the Northwest Missourian, under student leadership, will measure up to the high standards which are characteristic of the student body as a whole, and that it will be a force for good in the section of the state in which we live.

Go to it!

UEL W. LAMKIN, President.

## Student President Column

The student body is indebted to Mr. Lamkin for the privilege of publishing the Northwest Missourian. I believe the student body will accept the responsibility and make it a better student paper, more interesting and more informational to the students.

The Staff was selected by the Student Senate with the aid of Harold Humphrey, the Editor, who was chosen by the Senate. Humphrey is di-

rectly responsible to the Student Senate for the faithful discharge of his duties as editor. The remainder of the staff is directly responsible to Humphrey.

Whether the Northwest Missourian remains a student publication with faculty advice depends upon the students' co-operation with the staff.

Contrary to the opinion of some students, the Student Senate is striving to work for a better relationship between the students of the College. Plans were formulated for an All-School Carnival and no date was available for the entertainment. Now, if the change in election of the Student Senate Officers for next year is approved by the Association, a service of some sort will be held to induct those officers into office, even though they will not accept the responsibility of their duties until next fall.

The Student Senate is working on a handbook for the Freshmen who will enroll here next fall. The last handbook was printed by the Student Council in 1928. That was five years ago. Much has been done and many changes are in order before the new book will be ready for publication. The administration has promised funds for its completion.

It does not seem advisable to have an All-School entertainment for the Spring Quarter. There are so many activities taking time from classes and regular school work that another distraction would be superfluous. However, the Senate would appreciate any appropriate suggestions that may be worked into an entertainment which will include a majority of the students.

The Spring Contests will bring hundreds of high school students to our

# ALUMNI

S. T. C. graduates and former students seem to know how to get the work out of their students. At least we can believe this if we can believe a good story on Carl Leroy Fisher, a graduate who is teaching at Gallatin high school.

It seems that Carl's students had been teasing him to sample the new beer, but he had consistently refused to be contaminated, until it came time for his students to take part in the Clinton, Caldwell, and Daviess annual Tri-County Conference and Music Meet at Hamilton, last April 8. Knowing or not knowing the strength of his entries in the contests (???), Mr. Fisher wagered with his students to the effect that he would be willing to drink all of the beer that they could put in the loving cups that they could win in the meet. The Gallatin students rose to the occasion and when the contests were over, both parents and students proudly presented four loving cups to Mr. Fisher and insisted that he be a good sport and live up to his contract.

Now Carl says that the beer is not intoxicating. He remembers getting home o. k. He also remembers while his students won three firsts, four seconds, and two thirds in places in the contests, a total of 20 points, and first place in the meet, that Hamilton won all four firsts in Boys and girls glee club and boys and girls quartet. And he congratulated Mr. E. F. Allison, another former S. T. C. student, now superintendent at Hamilton, and his faculty and students on their victories in the contests and said that if they come to the contests next week, they will likely win some honors as they usually have done in the past.

Harry Haun, a graduate of the College, who has been superintendent of schools at Graham for the last several years, called over and obtained some of the College people to come to Graham, last Saturday night, to help judge some oration, declamation and musical contests. Some of the Graham students will come to the College to have a part in the Spring Contests, next week.

It may be of interest to many former students, faculty members and others at the College, to note, below, the names and addresses of twenty-five or more former students and graduates of the College who are teaching or working in or near St. Louis.

The list received, last Friday, by the Secretary of the Alumni Association, came from Mr. Gordon Trotter, B. S., 1929, now teaching Commerce at Webster Groves. Mr. Trotter, whose address is 216 Portland Terrace, is planning to have a Northwest Missouri S. T. C., former student get-together, in or near St. Louis, soon, and will welcome additional names and addresses for the following list:

Virginia Dean, 7062 Waterman St., St. Louis; Florence Wray, 4911 Parkview Place, University City; Helen Manley, 108 Circuit Drive, Webster Groves; Ruth Hughes, 6149 Waterman, St. Louis; Helen Tebow, 1028 Bates, St. Louis; Mr. and Mrs. Harold Houchens, 3916 Oakwood, St. Louis; Thelma Reece, 5628 Enright, University City; Ella Lee Decker, 3651 Botanical Ave.,

campus. Heretofore we have done practically nothing to see that they were properly entertained while here participating in the contests. If we are interested in the future enrollment of our College, we should strive to make these students feel at ease. Our actions might lead them to accept this institution as a place of their advanced educational work. Our actions might, also, lead them to talk unfavorably of our College. Of course we are College students.

R. Mitzel.

St. Louis; Neva Bruce, Brownsom Hotel, Maplewood; Hettie Mae Woodward, 7352 La Veta, Richmond Heights; Alice Dodds, 7367 Maple, Maplewood; Lois Dakan, 1705 Bredel, Richmond Heights; Hilda Caywood, 5560 Pershing, St. Louis; Seebe D. Rowley, 615 Newport Ave., Webster Groves; Vada Cllser, Avery School, Webster Groves; Vesta Wright, 881 Providence, Webster Groves Ward Barnes, Garfield Elementary School, 6506 Hazen Ave., St. Louis; Floyd Heffley, 5561 Enright, St. Louis; Gordon Roach, 5041 Waterman, St. Louis; Ralph Shrewsbury, 5132 Waterman, St. Louis; Kenneth Evans, 5622 Enright, St. Louis; Lynn Mahan, 4615 Lindell, St. Louis; Marvin Westfall, 4562 Parkview Place, St. Louis; and Vernon Barrett, Beaumont high school, St. Louis.

Lewis Wallace '31 has been appointed superintendent of schools at Darlington, Mo. Mr. Wallace has held the office of principal at Darlington for the past two years.

Thomas Eagle and Harold Person were formally initiated into Gamma chapter of Sigma Mu Delta Wednesday night, April 12.

At a meeting of former students of the College at the high school auditorium in Princeton, last Saturday afternoon, the following officers of the Mercer county group were selected: President, Miss Sarah Power, principal of the Princeton high school; vice-president, Mrs. Cecil Hickman, county superintendent of schools of Mercer county; secretary, Miss Florence Stanley; and treasurer, Mr. B. E. Lucas, principal of the high school at Mercer.

At the meeting several interesting program numbers were given by students from the high schools at Mercer and Princeton.

Among the former S. T. C. students present at the meeting were, Florence Wilcox, Jessie Rogers, Golda Moss, Martha Everly, Ruth Phillips, Vera Shroyer, Mrs. Constance Davenport, Florence Stanley, Mary Millemon, Ruth McLane, Vee Hagan, Albert Hagan, Charles Shaffner, Mrs. Cecil Hickman, and Sarah Power. Mr. and Mrs. S. G. LaMar attended the meeting.

Margaret Dietz, B. S., 1925, who is teaching music in the public schools at Cedar Rapids, Iowa, was at the college for a short while last week. Miss Dietz hopes to be able to finish her M. A. degree in music at the University of Iowa next summer.

Myrtle L. Milligan, Parnell, a graduate of the College, has accepted a position for the remainder of this school year as teacher of social science and sewing in the Elmo high school.

Wiletta Todd, of Trenton, B. S., 1929, has been visiting her sister, Frances Todd, who is a student at the College.

Gladys Somerville, a graduate of the College, has been elected to teach the fourth grade of the Richmond school, at Maplewood, a suburb of St. Louis. Miss Somerville has been teaching at Elmo.

Second Half Term, July 5 to August 9.

# SPORTS

## K. U. RELAYS PROMISE THRILLS THIS YEAR

COACH DAVIS-TO ENTER S. T. C. TRACK MEN.

Word has been received from the University of Kansas in regard to the Eleventh Annual Kansas Relays. An exceptionally large field of stars are to be seen in action April 22 in the K. U. Stadium. With the carry over from the 1932 Olympics, such versatile performers as Bausch, national decathlon champion, and Cunningham, fast stepping miler who has conquered Gene Venzke on three occasions so far this year; will be there to add more honors to their already successful career.

From the Big Ten Conference, Estil Lenington of the University of Illinois who tied for second place in the pole vault at Lawrence last year will be back to give the boys something to vault for. In an indoor met this year Lenington vaulted 13 feet 10 inches to set a Big Ten indoor record. Hornbostel, representing the University of Indiana ran the one-half mile in the Big Ten indoor meet in 1:53.9. Hornbostel will be remembered by many as the streak of lightning that ran a leg on the Hoosier team that won the four-mile relay at the Kansas Games last year. Many eyes will be focused on this lad in this year's relays.

From Oklahoma University will come a Sooner quartet that has run the mile relay already this season in 3 minutes, 19.7 seconds. The K. U. mile relay record stands at 3:20.0, held by the University of Iowa since 1926.

Fourteen universities or colleges figure in the record holding of the Kansas Relays. Those schools holding two or more records include the University of Illinois, U. or Iowa, University of Wisconsin, University of Kansas and the Oklahoma Baptist University.

Coach Davis expects to enter the K. U. relays. How many men he will enter is yet undecided, but Stubbs is expected to perform in the 100 and 220-yard dashes.

## CAMPBELL WINS NET TOURNAMENT

Team for Warrensburg Meet Will Be Campbell and Winner of Garrett-Hantze Match.

Verne Campbell, Freshman from Tarkenton, was the winner of the finals match of the all school tennis tournament held last week to decide who would represent the school in the Warrensburg matches. Campbell beat Garrett in the finals, 6-1, 8-0, 10-8. Garrett, however, lost to Kenneth Hantze, whom Campbell defeated in the semi-finals, for the other position on the team.

The semi-final results.

Barrett—  
Garrett—  
Campbell—  
Hantze—

Another tournament will be held for the Springfield meet some time later.

## "Essay on Golf"

I needs must write an essay  
And on humor!  
What a bother!  
And me a bespectacled sad thing,  
Rather.  
But I know a certain tree—  
On a certain course—  
Near a certain tee.  
In it I'll build a wee house.  
(What I mean's a tree house)  
And hid there, spend one bland,  
long breezy day.  
A watching of the golfers, goofers,  
clubbers, dubbers,  
In all their ultra serious by-play.  
Then, if I don't die laughing at  
their tragic-comic gaffing  
I'll come down and write a thesis  
That will burst the profs with glee!

Raymond Mitzel, Co-captain of the 1933 Bearcat track team, fell Sunday and sprained his ankle while attempting to climb a tree. Mitzel is also a member of the Bearcat pitching staff. He will probably be of little use to the track team for some time but may be able to resume his baseball activities at the end of this week.

## BASEBALL TEAM SHAPES UP UNDER IBA

With three universities and numerous strong college teams on the baseball schedule, Coach Iba's Bearcats have an exceptionally hard task before them.

The Universitys scheduled so far include Missouri U., Washington U., of St. Louis, and Kansas State. The first two games mentioned will be played in Maryville, while the latter is a home-and-home affair. An endeavor has been made to arrange a game with the Haskell Institute when the Bearcats invade the State of Kansas.

Kirksville and Conception are the two colleges so far scheduled. More college games are to be arranged in the near future according to Coach Iba.

Composed of a few veterans and many rookies the team is fast whipping into shape for the opening game against Kansas State on the Maryville diamond, April 27.

The outstanding players vying for positions include: O'Connor and Phelps, catchers; Wood, Lisle and Mitzel, pitchers; Bird and Wright, first basemen; Hodgkinson, Harley and Phillips, second basemen; Seyster, Merrigan and Borgmier, shortstops; Milner and Groom, third basemen; Parker, Mann, Benson, Cowden, Wright, E. Iba, and Meredith, outfielders.

It seems evident that the team's batting strength will be much weaker than it has been in former years. The batting strength will be balanced, however, by the fast working infield which Coach Iba has developed.

The schedule:  
April 27—Kansas State, here.  
May 1—Kirksville, here.  
May 3—Missouri U. there (tentative)  
May 4—Kirksville, there.  
May 6—Conception, there.  
May 10—Conception, here.  
May 12—Washington U., here.  
May 13—Washington U., here.  
May 16—Kansas State, there.  
May 17—St. Benedict's there (tentative).

## W. A. A. VARSITY BASEBALL TEAM

The baseball season in W. A. A. has opened. There will be a series of practices held, and at the close of these there will be a tournament.

Those girls who have come out for baseball practice are: Freshmen—Frances Todd, Helen Turner, Agnes Cutler, Leona Cottrell, and Anita Aldrich; Sophomores—Willa Porch, Virginia Curnutt, Frances Weldon, Duane Eberhart, and Joyce Neal; Juniors—Eudora Smith, Lenore Nickerson, and Rose Graves; Seniors—Emily Jones and Naomi Broyles.

## W. A. A. VARSITY BASKETBALL TEAM

The varsity members of the W. A. A. basketball team have been selected. These members will receive extra points on their sweaters. Those who were elected for the team were: Frances Todd, Virginia Curnutt, Duane Eberhart, Emily Jones, Willa Porch and Anita Aldrich. During the basketball season it was difficult to get several girls to come out for practice so the basketball tournament was not played. The

varsity team was picked from the merits of the playing of the girls while they were engaged in the practice games. Miss Wells announced to the W. A. A. girls that any of those who wished to qualify in order that they might assist in refereeing or umpiring games during the Spring Contests might get the rule books from her and later take tests over the rules.

## Exchange

The exchange column is compiled in an attempt to bring to the student body some of the important items under discussion in other campus papers. Sometimes bits of humor slip in as well as comments on advancement of student affairs elsewhere. The first item of note this week is taken from the Drury Mirror. Drury has adopted a new type of student representation that is to the belief of your writer a step forward in student government.

## NEW STUDENT SENATE IS ALREADY ACTIVE

Reorganization of student government in Drury, as provided by the new senate constitution and ratified by the faculty and student body, went into effect last week. The changes made consist mainly of a new system of representation from the various campus organizations.

The new plan provides for bi-weekly meetings of the senate on every other Thursday night. Voting power of the body is relegated to one representative each from the various fraternities and sororities and four from the independent organization. In addition, the presidents of the four classes, the president and vice-president of the student body, and one representative from the faculty, shall be ex-officio members. Any organization not having a senator may at any time send a representative to present for consideration any matter of particular interest to that group.

Elections to the senate are to be held annually. Each organization may decide upon the manner in which it elects its representative to the body, subject to the approval of the existing senate. Other than president and vice-president, the senate may choose its own officers. The two exceptions shall be elected according to a prescribed plan. On the last Tuesday in April, the junior class will nominate three of its members as candidates for president of the student body. On the following Friday the election will be held. The candidate receiving the highest number of votes will be president, the next highest vice-president.

Members of the present senate are: Ernest Buckner, president; Thelma James, Della Delta Delta; Winifred Dark, Pi Beta Phi; Jean Clark, Zeta Tau Alpha; Imogene Ruhl, Kappa Delta; Robert Nadal, Sigma Nu; Robert Dyer, Theta Kappa Nu; Paul Robb,

Kappa Alpha; and the independent representatives, William Hackett, Herschel Miller, Reba Stagge and Leota Long.

Springfield Teachers College reports trouble over dance regulations. The editors of the Springfield Standard have rightfully asked for a definite settlement of the rules. The Missourian backs the Standard in its stand on definite responsibility and a "clear cut and unmistakable rules and penalties for violation."

The Missouri Valley College Delta recently carried an editorial that will probably cause some dissension on the campus. The Delta advocated the abolition of the Missouri Valley annual on the grounds that all yearbooks are stereotyped affairs. Whether the idea will take root or not remains to be seen.

but there is something to consider at least. Why not replace the yearbook with a monthly magazine?

The Park Stylus should give Fred Wakeman a cut glass doorknocker for the interesting contribution that he makes each week. Go to it Fred this isn't the first year I've admired your work. Your opinion of GBS is very good.

## CONTRIBUTE FREELY

Every student is to feel that The Missourian is his paper and feel free to contribute to the contents thereof. In the Open Column any one may discuss topics of student interest and, if you like, hold an open forum over a period of time. Present a good problem and the editor will gladly hold space for your discussion.

## Campus Society

### Social Calendar

April 20—Sigma Sigma Sigma Founders' Day Banquet.  
April 21—Barkatz Dance.  
April 22—Association of Childhood Education Tea, 3:00 p. m.  
April 22—Association of Childhood Education Dinner, 6:00 p. m.  
April 24—Opening of Short Course.  
April 25—High School Senior Play.  
April 27, 28, 29—High School Contests: April 27—Class C music events; April 28—Dramatics, scholarship, and track events; April 29—Class B music events.

### Alumni Entertain

Maryville Alumnae Chapter of Sigma Sigma Sigma entertained the Alpha Epsilon Chapter at the Country Club with an Easter party. Novelty bridge was played and stunts were given between each game. Attractive refreshments were served. Active members present were Helen Busby, Emma Ruth Bellows, Gladys Opal Cooper, Marceline Cooper, Dortha Gates, Helen Kramer, Ruth Kramer, Lucy Lloyd, Virginia Gay Miller, Esther McMurry, Ruth Miller, Helen Morford, Evelyn Perry, Jean Montgomery, Dorothy Sandison, Lucille Shelby, Barbara Wilson, Margaret Humphreys, Roberta Cook, Faye Sutton, and Nadene Wooderson; pledges, Mary Louise Kettman, Elizabeth Crawford, Eileen Johnson, Velma Cass and Laura Phebe Roseberry; guests were Miss Sharley K. Pike and Miss Estelle Campbell. The hostesses were Mrs. H. H. Mutz, Mrs. June Blagg, Mrs. E. F. Scott, Mrs. R. B. Montgomery, Mrs. Lora Meacham, Mrs. Homer Ogden, Mrs. Erman Barrett, Miss Bess Todd, Miss Nell Hudson, Miss Hettie Anthony, Miss Lois Halley, Miss Grace Langan, Miss Winifred Baker, Miss Lucille Qualls, Miss Mary Ellen Dildine.

### Pot-Luck Supper

Once more the Y. W. C. A. Hut in College Park was invaded by the members of the organization. Soon school will come to a close and the members cannot all be together, so this supper was planned instead of holding the regular meeting. A short devotional meeting was held and then the entire group entered into singing a few well-known songs. Everyone enjoyed the two hours from five until seven o'clock. Those who attended were: Miss Lucille Brumbaugh, Miss Dora B. Smith, Frances Todd, Eudora Smith, Gladys Cooper, Marceline Cooper, Lois Winger, Alice Alexander, Lucille Leeson, Joyce Neal, Helen Bassett, Charlotte Leet, Mae Eggers, Faye Sutton, Frances Stewart, Mildred Stewart, Georgia Belle Mooreshead, Mildred Mumford, Helen Fitz, Helen Kerr, and Anita Aldrich.

Miss Virginia Stephenson and Aleta Trimmer of Wichita, Kan., were guests of Lucille Driftmier during Easter Vacation.

Ted Hodgkinson, Dick Barrett and Bohm Townsend were guests at an Easter House Party given by Misses Kathryn Fossati, Eleanor Hardin and Frances Christian in Albany.

### Dorm Dance

To initiate the new house director at the hall and to show their appreciation to the boys for past favors the girls of the college were hostesses to the boys at a dance given in Residence Hall Saturday, April 8. In spite of the warm weather a big time was had by all.

### Barkatz Dance

The Barkatz pep squad will give a dance this coming Friday night in the west library. The admission will be thirty-five cents. All students are invited.

Ruth Kramer entertained with a birthday party for Catherine Norris Sunday afternoon, April 9. Bridge and Jig Saw puzzles furnished the afternoon's entertainment.

The invited guests, Helen Busby, Maude and Lucille Qualls, Mary Jackson, Roberta Cook, Frances Shamberger, and the honor guest.

The Alpha Epsilon chapter of the Sigma Sigma Sigma sorority elected the following officers at their meeting held last week: President, Margaret Humphreys of Laredo; vice-president, Dortha Gates of Grant City; recording secretary, Virginia Gay Miller of Maryville; corresponding secretary, Faye Sutton of Maryville; treasurer, Marceline Cooper of Denver, Colo.; and Keeper of Grace, Barbara Wilson of St. Louis.

The officers that served this year are president, Helen Busby; vice-president,

Gladys Opal Cooper; recording secretary, Ruth Kramer; corresponding secretary, Esther McMurry; treasurer, Lucille Shelby and sentinel, Emma Ruth Bellows.

Miss Humphreys and Miss Miller were elected as delegates of the chapter to attend the national convention of the sorority, that is to be held in Chicago July 6 to 10. July 10 has been designated as "Tri Sigma Sorority Day" at the World's Fair, and at that time the delegates will visit the exposition in a group. Miss Mabel Lee Walton of Woodstock, Va., is the national president.

### Entertain Sorority.

Miss Betty Hickernell entertained the Alpha Sigma Alpha girls last week at her home at 217 West First street, following the installation of the officers at the sorority house. Cards and dancing were followed by refreshments. There were place card favors with the sorority crest on the outside and a list of the new members on the inside.

Twenty active members, Miss Nell Martindale, sponsor and Miss Karol Oliphant of North Kansas City, an alumna, attended.

## WELFARE BOARD GARDEN

Maryville Social Welfare Board has practically completed plans for a five-acre community garden located on the northside of the road to the Country Club. Fifty-nine families for whom the city cared during the winter will tend the acreage.

At present the board is awaiting the sanction of the State Board of Regents for President Uel W. Lamkin's proposal to utilize the state land for community relief.

Seeds will be furnished by the local Welfare Board.

## TO MY PUBLIC

Dear People: What is good for worries? I feel just like a mama duck with a bunch of little ducklets. That's what comes of expanding my corporation though, guess I should have stuck to the bush leagues, so to speak. Must look up the Stroller and find out where "he" hid this week. Some people take advantage of a good thing. Just look at Speck Stewart; Doc Jackson sent her down to St. Francis' for a couple of days and what does she do but have the appendix removed so she could have a good excuse to stay in bed a couple of weeks. Hope she comes back soon; I need some one to argue with. Velma Cass took the wind out of my sails last week by refusing a piece of candy. Usually she has the biggest candy capacity in school, unless it is her running mate, Swede Johnson. Either one of them can hear a cellophane wrapper being touched at fifteen feet and distinguish between candy wrappers and cigarette cases. Just a couple of walking appetites. Notice that Freddie Wakeman, that jig-saw columnist of Park College, calls George Bernard Shaw, G. Bungle Shaw. All I gotta say is that Freddie should make remarks like that to a bigger paper that would reach Shaw. Guys like G. Barney S., cause more trouble than an out-of-date calendar. Shaw and Hitler should be roommates. Save your beer bottles, the baseball season is coming and there will be the customary number of bum umpires to throw them at.

The poetry on the sport page about golfers was written by my cousin J's wife, Susie, who suffers the pains of all golf widows. To some people Spring is just a time to transfer to a new battleground. Wonder when the Warrensburg "Student" will become a real "Student"? Why wonder? What this school needs is a good motto, like: "America first, M. S. T. C. second" and then live up to it. There are lots of good old adages that apply to life. For instance, "You made your cake, now lie in it"—"A rolling stone gathers speed"—"Big trees were little nuts before they grew up"—"Put your nose to the wheel, your shoulder to the grindstone and everybody do his bit."—"Laugh and (if it's a good joke) others will join you, cry and you spoil your make up"—"Don't count your chickens till you've candled the eggs." And so on till you're tired of living.

I'll bet a pretty nickel that the designer of the ladies Easter bonnets connected up with a bottle or two of the new 3.2 solution. One has to be careful when washing the dishes not to scrape the garbage in mama's or sister's new hat by mistake. You can usually avoid this by remembering that garbage pails have covers and handles. Enough for today. (this week and forever).

Humps.

Kenneth Hartley, of Blockton, Iowa, a member of the baseball squad is ill with the mumps.

## Faculty Notes

### Pres. Lamkin Commencement Speaker.

The commencement exercises this year will be held Wednesday, May 10 at 8 o'clock. The speaker will be Uel W. Lamkin, president of the Northwest Missouri Teachers' College at Maryville. Mr. Lamkin is a speaker with ability to inspire his audience, and bring to it a wealth of information regarding the relation of the school to community, state, and nation. He has held several responsible positions in the field of education, and is one of the outstanding educators of this country. Our school is fortunate in securing Mr. Lamkin as speaker.

The Baccalaureate sermon will be preached Sunday, May 7.

Mr. Holdridge attended the performance of the Bach oratorio, The Passion, according to St. Mathew, in Bethany, Kan., last Friday.

Miss Nell Martindale spent Easter Vacation at her home in Lawrence, Kan.

Mr. C. E. Wells, college librarian, took several college students to Fairfax, Friday night, to hear Dr. Charles M. Shelton, who spoke to the Christian Endeavor Conference that evening. Students accompanying Mr. Wells were Esther Forbes, Junior Porterfield, and George Walter Allen.

Three cheers for Miss Fisher seems to be the thing at the dormitory, as one who was here in '30 can well understand. Those who knew her before and those who are rapidly becoming acquainted with Miss Fisher are delighted with her influence in Residence Hall.

## BARKATZE HOLD ELECTION

Garland Scott Heads Pep Club for Next Year.

At a meeting last Wednesday, the Barkatz constitution was amended concerning the time of election of new officers. Hereafter, the officers will be elected between the first week in April and the first week in May.

The following officers were elected for the coming year: President, Garland Scott; vice-president, Lawrence Phelps; secretary-treasurer, Eudora Smith.

### Alpha Sig Alpha Installation.

On Wednesday evening the Phi Phi chapter of the Alpha Sigma Alpha sorority held installation of officers. The incoming officers are: President, Margaret Maxwell; vice-president, Georgia Schulte; registrar, Grace Helen Goodson; treasurer, Mildred Hotchkiss; recording secretary, Winifred Todd; corresponding secretary, Lucille Stewart; Chaplain, Loretta Goodin; editor, Jean Patrick; collegiate reporter, Margaret Knox. The retiring officers are: president, Betty Hickernell; vice-president, Ann Kitt; registrar, Grace Helen Goodson; treasurer, Margaret Maxwell; recording secretary, Mary Powell; chaplain, Virginia Utz; editor, Dorothy Whitmore; collegiate reporter, Georgia Schulte.

## BOOK REVIEW BY DR. DILDINE

### New Book in Library.

"A History of Christian Thought"  
(By Arthur Cushman McGiffert)

Among the interesting books of a religious content that have just come off the press is "A History of Christian Thought."

The author, Arthur Cushman McGiffert, ranks among the best scholars of this generation working in the field of church history. For more than thirty years he has taught in Union Theological Seminary, continuously making his researches in this field so much the broader and thorough. This set, two volumes of which have been given to the public to date, and are now in our college library, is declared by competent readers to be the crown of the life study of this already well-known author.

The unusual equipment of Professor McGiffert for offering a new summary of information on this very wide subject makes its impression upon the reader less by the style of the chapters than by the free simplicity with which each topic is analyzed and arrayed before him. The work will be neglected by no fellow scholar interested in what Christians used to think about themselves and the system of things within which they were living. It need not be neglected by the layman or by the student just approaching this set of facts and questions: the presentation is pleasingly non-technical.

Says one reviewer: "A conspicuous merit of Dr. McGiffert's way of writing history is that he causes the mountain

peaks to stand out above the low foothills and plains that often make the whole scene confusing."

## NOTE FROM CHARLES HURLEY

A note from Charles Hurley, Secretary Md., to the editor of the Missourian follows:

"Allow me space in your paper to express my appreciation to all of my friends for their kind thoughts of me during my recent illness. Not only while I was in St. Francis Hospital but also after I came home. I wish to take this opportunity to thank one and all, especially Dr. Bell for his untiring efforts in my behalf and likewise the nurses, Dr. and Mrs. Foster, and do hope that some day I can repay in some way their kind consideration of me."

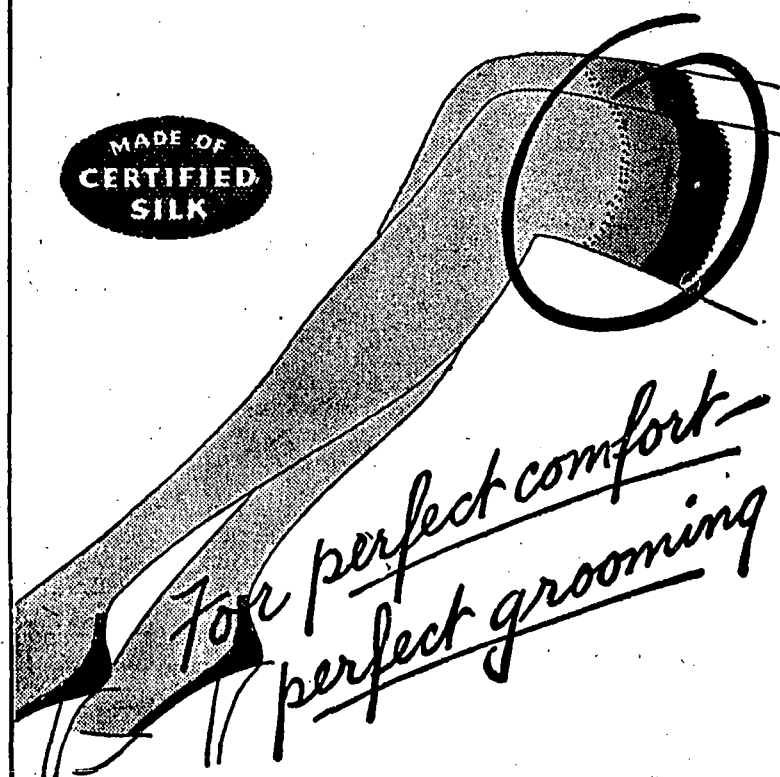

Signed: Charles F. Hurley.

Theta chapter of Sigma Tau Gamma fraternity has sent "News Letters" to each of its alumni. These letters, which are sent out each month, contain current news of the chapter. Those just sent out tell of the formal dance to be held this spring quarter, addresses of alumni, and interesting bits about the Alma Mater.

The Perry girls and their host of many friends have greatly enjoyed the family car for the last two weeks. The reporter from the crowd said that trips to Tarkio and near-by towns have lent impetus to the otherwise dull school routine.
